

Electrical Dual Credit Concentrated OYAP Pathways

What is an Apprenticeship?

In an Apprenticeship students will ...

- ▶ Earn while they learn.
- ▶ Be taught one on one by a certified electrician.
- ▶ Be sent to take apprenticeship courses at college.
- ▶ Have the government pay approximately 80% of their tuition.

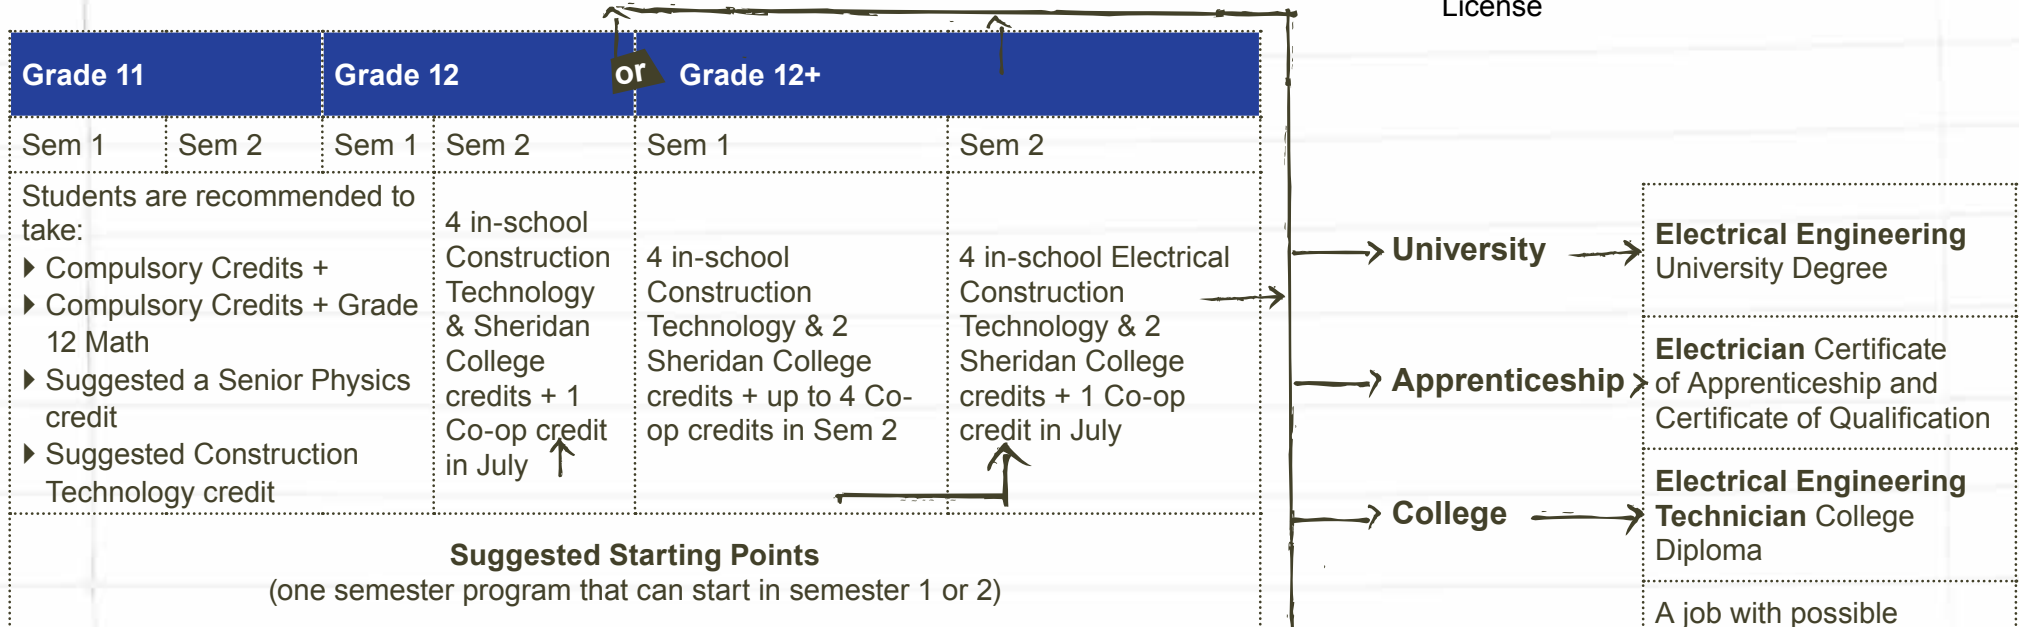

Why consider Dual Credit Concentrated OYAP?

- ▶ It will give the opportunity to get your foot in the door with potential Employers to get your apprenticeship started.
- ▶ You also have the opportunity to earn hours towards your apprenticeship.
- ▶ If you are considering college, this program provides you the opportunity to earn high school credits and credits toward your college diploma.
- ▶ It is also an excellent opportunity for a College/University minded student to get some electrical theory and practical experience in the electrical field before starting school.

What other training will I receive?

In the Electrician Concentrated OYAP students will have the opportunity to earn the following additional certifications or awareness:

- ▶ Standard First Aid Certificate
- ▶ Adult CPR & AED Certificate
- ▶ Young Worker Awareness
- ▶ ESA Tag-out/lockout Certificate
- ▶ Health and Safety Basic Awareness
- ▶ Fall Protection Awareness
- ▶ Construction WHMIS Awareness
- ▶ Powered Elevating Working Platform License

Please note: Any students wanting to pursue College, University or for those that wish to combine either College or University with an Apprenticeship, must take the appropriate admission required University, University/College or College destination pre-requisite courses.
