

Electrical OYAP

Why consider Concentrated OYAP in Electrical?

- **Electrical Concentrated OYAP** is specifically designed to help secondary school students make a smooth transition directly into a career to complete their Apprenticeship
- This is a dual credit program with Mohawk College, where they earn college credits and high school credits at the same time
- Offers the curriculum for level 1 apprenticeship training as well as the Ontario Ministry of Education curriculum
- This program can also be done as a Specialist High Skills Major, which would start in grade 11

In the Electrical OYAP program, students;

- May shorten their apprenticeship by receiving apprenticeship hours while being registered as an OYAP Apprentice in Cooperative Education
- May receive Fall Protection, Standard First Aid, Adult CPR, Young Worker Awareness and WHMIS certification
- May jump start their career with a potential employer while at their Coop placement

How does this program work?

This program consists of 2 grade 11 and 2 grade 12 construction credits that have a focus on electrical and a minimum of 2 Cooperative Education credits. This program is available at MM Robinson High School in Burlington. It is recommended that the student begin the concentrated OYAP in grade 12. Grade 12 math and grade 12 physics are both recommended before applying for this program.

Opportunities in Electrical OYAP

You could find a very rewarding career as a Construction Maintenance Electrician, Industrial Electrician, Powerline Technician, Domestic or Rural Electrician, Fire Alarm Technician, Video Surveillance, Alarm Technician.
