PROMOTING POTENTIAL,  
INSPIRING FUTURES

SPECIALIST HIGH SKILLS MAJOR  
 Specialist High Skills Major Programs

These programs let students focus on a career path that matches their skills and interests. Each Specialist High Skills Major is a bundle of 8 to 10 courses within a selected field/sector completed in Grades 11 and 12. Students choosing a SHSM program learn on the job with employers as well as in school, earning valuable industry certification and training related to their chosen sector.

This year the HDSB is running 57 SHSM programs, available in 15 different sectors to all Halton students. Our partnership with the Halton Catholic District School Board also provides the opportunity for our students to cross-register to take any SHSM program currently offered in Halton.

<i>SHSM Sector</i>	<i>Region</i>	<i>School</i>

<b>Welding</b>	Halton Hills	Georgetown District High School**

The Ontario Youth Apprenticeship Program (OYAP) helps students prepare for apprenticeship by combining technological education courses with a cooperative education placement to provide the knowledge, skills and work experience to begin an apprenticeship.

**\*\* Indicates that program is also a Specialist High Skills Major**

## School College Work Initiative Dual Credit Programs

The School College Work Initiative is a partnership between school boards and colleges that allows senior secondary school students to simultaneously earn secondary school credits towards their Ontario Secondary School Diploma and a college diploma or Level 1 apprenticeship training. The programs run either in the secondary school or college setting and allow students to reach ahead into a potential future education in the apprenticeship or college pathways.

**\*\* Indicates that program is also a Specialist High Skills Major**

College Partner	Program	Program Location(s)
