

HAIRSTYLING

Why consider a Niagara College Concentrated OYAP Hairstyling program at M.M Robinson High School?

- Hairstyling Concentrated OYAP is specifically designed to help secondary school students make a smooth transition to a career through college or Apprenticeship
- The Hairstylist OYAP program offers the Ministry of Labour Training and Skills Development curriculum for level 1 and 2 apprenticeship training
- Students may earn Niagara College credits while completing high school credits towards their apprenticeship

In the Hairstylist OYAP program, students may:

- Shorten their apprenticeship by receiving apprenticeship hours while being registered as an OYAP Apprentice in Cooperative Education
- Earn the Level 1 and 2 apprenticeship training and Niagara College credits
- Transportation is available for students who live outside M.M. Robinson's catchment area

HOW DOES THIS PROGRAM WORK?

This program consists of 4 OYAP Hairstyling credits and a minimum of 2 Cooperative Education credits. It is recommended students complete at least one Hairstyling credit before applying for the Hairstylist OYAP program.
