

# TRANSPORTATION

## **Why consider Concentrated OYAP in Transportation?**

- The Accredited Niagara College Transportation Concentrated OYAP is specifically designed to help students make a smooth transition directly into their post-secondary Transportation apprenticeship
- The Transportation OYAP students may complete their first level of automotive apprenticeship theory training through the Niagara College accredited program at White Oaks Secondary School
- This program can be completed in conjunction with the Specialist High Skills Major Program (SHSM)
- May shorten the apprenticeship term by working towards your Ministry appointed Competency Book and Apprenticeship Hours while in high school

## **In the Transportation OYAP program, you may:**

- Demonstrate skills and apprenticeship knowledge while in co-op to a potential employer, accelerating the hiring process
- Receive Standard First Aid, Adult CPR, Young Worker Awareness with a WHMIS certification
- Get a head-start on your program before leaving high school, instead of taking similar courses (and paying for those) offered at colleges or private vocational training facilities after high school

# HOW DOES THIS PROGRAM WORK?

This program takes 2 semesters to complete. In the first semester, you will take a minimum of 2 grade 11 Transportation credits plus an additional 2 other credits. In the second semester, you will take 2 grade 12 Transportation credits plus 2 co-op credits in your area of specialty.

## Opportunities in Transportation OYAP

You could find a very rewarding career as a mechanic or technician working on cars, planes, motorcycles, small engines, truck, coaches or heavy equipment.

## Apprenticeship

- Lets you earn \$\$ while you learn
- Are a combination of on-the-job training and College courses
- Allows you to be taught one-on-one by a Skilled tradesperson
- An apprenticeship contract is an agreement between the employer, the employee and the Ministry of Labour, Training and Skills Development
