

# CARPENTRY/ CABINETMAKER

## **Why consider Concentrated OYAP in Carpentry/ Cabinetmaker?**

- The Carpentry/Cabinetmaker Concentrated OYAP is specifically designed to help students make a smooth transition directly into their post-secondary Carpentry/Cabinetmaker apprenticeship
- The Carpentry/Cabinetmaker OYAP allows students to complete their first level of in-school apprenticeship training (level 1 General Carpenter)
- This program can be completed as a Specialist High Skills Major

## **In the Carpentry/Cabinetmaker OYAP program, you may:**

- Shorten your apprenticeship by receiving apprenticeship hours while being registered as an OYAP apprentice in Cooperative Education
- Standard First Aid, Adult CPR, Young Worker Awareness, Fall Protection Awareness, Ropes and Rigging and Construction WHMIS certification
- Demonstrate skills and apprenticeship knowledge through a co-op placement with a potential employer, accelerating the hiring process
- Get a head-start on your program before leaving high school, instead of taking similar courses (and paying for those) offered at colleges or private vocational training facilities after high school

# HOW DOES THIS PROGRAM WORK?

At MM Robinson, you will take 2 grade 11 Construction credits plus 2 other credits. And in a second semester, you will take 2 grade 12 Construction credits plus 2 Cooperative Education credits.

## Opportunities in Carpentry/ Cabinetmaker OYAP

This program can lead you to a rewarding career as a General Carpenter. You can find opportunities to construct, erect, install and repair structures made of wood, wood-substitutes, drywall, plaster and tiles. Cabinetmakers build furniture of all types with a variety of materials.

## Apprenticeships

- Lets you earn \$\$ while you learn
- Are a combination of on-the-job training and College courses
- Allows you to be taught one-on-one by a Skilled Tradesperson

An apprenticeship contract is an agreement between the employer, the employee and the Ministry of Labour, Training and Skills Development
