

HAIRSTYLING

Why consider Concentrated OYAP in Hairstyling?

- Hairstyling Concentrated OYAP is specifically designed to help secondary school students make a smooth transition directly into a career to complete their Apprenticeship
- The Hairstylist OYAP program offers the curriculum for level 1 and 2 apprenticeship training. Students must write exemption exams to achieve both levels
- This program can also be completed as a Specialist High Skills Major at some schools

In the Hairstylist OYAP program, students may:

- Shorten their apprenticeship by receiving apprenticeship hours while being registered as an OYAP Apprentice in Cooperative Education
- Receive Standard First Aid, Adult CPR, Young Worker Awareness and WHMIS certification
- Save money – similar courses offered at colleges and private vocational training facilities can cost between \$6,000 - \$10,000. Why not start the program before you leave high school and earn credits towards your OSSD at the same time?

HOW DOES THIS PROGRAM WORK?

This program consists of 4 OYAP Hairstyling credits and a minimum of 2 Cooperative Education credits. The students should complete at least one grade 11 and one grade 12 Hairstyling credit before applying for the Hairstylist OYAP program.
