

MULTIMEDIA PRODUCTION

Aldershot School

PROGRAM OVERVIEW

Arts & Culture is continually reinventing how we interact with each other and with our communities through storytelling. The Multimedia Production SHSM at Aldershot School will provide students with a multidisciplinary perspective and skills that will help them stand out in the field while also developing unique creative problem solving skills. Students will be able to continue with the creative industries related courses that they are most drawn to while exposing them to new ones through certifications, co-op opportunities, field trips, and guest speakers. The versatility of this SHSM provides students with a clearer view of how this sector truly operates and the multitude of job opportunities within it, regardless of their pathway. Students can expect to learn about audio production, digital music production, video production, graphic design, marketing, entrepreneurship, and game design.

Experiential Learning Opportunities

- Job-shadow industry professionals
- Complete 2 Cooperative Education credits
- Get work experience in the Arts and Culture sector
- See guest speakers, go on field trips and other workplace experiences that explore careers in the creative industries (video, audio, music, graphics, and game production)

- Multidisciplinary collaboration tools
- ...and more

CREDITS

Course Package

Each SHSM program offers students a bundle of 8 - 10 credits. These courses are regular Ontario secondary school courses that allow students to work towards their Ontario Secondary School Diploma, but have been bundled as the most relevant courses to prepare students for a future in the arts and culture sector.

The Bundle Includes:

- **4 “major” credits** in arts and culture in grade 11 and 12
- **Supporting credits**, which include Contextualized Learning Activities (opportunities for students to learn the subject in the context of the arts and culture sector):
 - > 1 Grade 12 English credit
 - > 1 Grade 11 Math credit
 - > 1 Grade 11 or 12 Business Studies, Canadian and World Studies or ISTEM IDC credit
 - > 2 Cooperative Education credits to experience life in the Arts & Culture sector

Applying to the Multimedia Production SHSM:

All students in Halton are able to attend the Arts & Culture SHSM at Aldershot School in Grade 11 and Grade 12. Each student’s goals will be assessed and course selection will be determined based on their needs.
